Demo scena 1980-1992. A-B

Adis Abeba

Adis Abeba, sastav iz Brčkog, sudjelovao je na festivalu „Nove nade nove snage". Njegovi članovi su bili Mustafa Nikšić, Haris Muminović i Adisa Muminović. Zastupljen je na Diskotonovoj kasetnoj kompilaciji iz 1989. godine (pjesma Kao Donat Mg).

Anomalia

Dark wave band **Anomalia** pred sami rat snimio je demo za pjesme „Reborn" i „Untitled" kojima je u februaru 1991. zastupljen na kompilaciji Killjoy male diskografske kuće Black and White Tapes koja je dva mjeseca kasnije prestala sa radom. Nismo uspjeli doći do podataka o članovima benda niti šta se dalje desilo sa Anomaliom.

Apokalipsa

Apokalipsa je prvi autorski bend danas cijenjenog gitariste Emira Juge koji je osnovao s nepunih 15 godina. Dečki i djevojka počeli su s radom 1989. godine i djelovali do početka rata. Pored Emira, okosnicu sastava činili su bubnjar Nihad Maličbegović i basist Ahmed Osmić, a s njima je na početku karijere bila i klavijaturistkinja Ema Božuta. Na sedmom Čičkovom festivalu "Nove nade nove snage" 1991. godine, grupa je osvojila prva mjesta prema glasovima publike i stručnog žirija, te nagradu za najmlađi bend. Iako Apokalipsa uslijed rata nije stigla ostvariti sve potencijale, većina njenih članova je ostala u muzici do današnjih dana.

Armagedon

Tuzlanski thrash metal bend **Armageddon** bio je aktivan u periodu 1988.-1990. godina. Članovi su bili Slobodan Medojević Medoja, vokal, Zlatan Bećirović, gitara, Adnan Bećirović, bas i Goran Sakić, bubnjevi. Momci su radili na fanzinima, organizaciji svirki i distribuciji kaseta i drugog demo materijala. Snimili su jedan demo pod nazivom „Holocaust".

Balkan ekspres

Jedan od brojnih sastava imena **Balkan ekspres** bio je dijelom demo scene koncem osamdesetih godina. Bend su činili Amir Šehić, gitara, Saša Todorović, bas, Edin Kučinar, vokal, Haris Duran, klavijature, Haris Hodžić, bubnjevi i Zlatan Fišće, gitara. Bend je zastupljen na Diskotonovoj kasetnoj kompilaciji „Nove nade nove snage" iz 1989. godine pjesmom Ostala je jedna mladost.

Basdans

Basdans je banjalučki rock sastav koji je nastao 1984. godine i djelovao svega četiri godine. Članovi su bili Nenad Matejić, vokal i kreativni vođa, Denis Gajetić, gitara, Boris Glišić, bas, Nebojša Tica, bas (nakon što se Boris Glišić povukao iz benda), Zdenko Matković, klavijature i Siniša Tomić, bubnjevi. Idejno i svirački, momci su vrlo brzo osjetili da su prejaki da bi ostali u okvirima lokalnog sastava i krenuli su u osvajanje Jugoslavije. Prvo su u Sarajevu bili veoma zapaženi na festivalu „Nove nade nove snage" gdje su osvojili priznanje publike i nagradu žirija za najbolji tekst za pjesmu Momci igraju (koja je uvrštena na Diskotonovu kasetnu kompilaciju iz 1989. godine), a zatim su u Subotici 1986., gdje su bili pozvani kao gosti a ne natjecatelji, pa su tokom festivala nevoljko prešli među takmičare, napravili do tada neviđen podvig pokupivši nagrade publike, žirija i novinara. Serija pehova i nepredviđenih situacija dovela je do toga da Basdans nikada nije snimio samostalni album, iako je više diskografskih kuća pokazalo zanimanje (PGP RTB, Suzy, Jugoton). Zapamćene su ostale hit pjesme „Kakve suze tebi trebaju", „Čovjek od kamena", „Momci igraju", „Priča o običnoj djevojci", „Uzmi čovjeka kog zaslužuješ"... zapravo je teško naći neku pjesmu Basdansa koja nije imala potencijal da postane hit.

Bedž

Hard rock grupa **Bedž** iz Sarajeva bila je aktivna početkom osamdesetih godina. Članovi su bili gitarist Nikola Mitrović Nidžo (kasnije u Nervoznom poštaru, a nažalost, više nije među živima), Kemal Seh, bubnjevi, Srđan Delagija, klavijature, Mirko Manojlov, bas, i Mario Leko, vokal. Često su sudjelovali na Čičkovim skupnim svirkama u Slozi, a 1982. su svirali u Skenderiji na velikoj manifestaciji „Mladost Sutjeske".

Big Daddy

Big Daddy je bio sarajevski noise rock/post punk bend aktivan od 1990 do 1993 god. Postavu benda su činili Ronald Terman, bubnjevi, Borivoje Sofilj, bas, Davor Čavar, gitara i Dragan Šutalo, vokal.

Blago gluhima

Grupa **Blago gluhima** nastala je 1992. godine i bila aktivna do 1995. u sastavu Ivan Radeljković, gitara i vokal, Dino Šukalo, klavijature, Muhamed Avdagić, gitara, Haris Varajić, bas i Alen Šiljak, bubnjevi. Pored toga što su nastupali na Čičkovim skupnim svirkama, momci su snimili dvije pjesme u studiju Adija Lukovca („Ja letim visoko" i „Bluesin' Blues"). Od tada su prošle mnoge godine, neki su se članovi posvetili nauci, a neki su i danas aktivni na bosanskohercegovačkoj glazbenoj sceni.

Bombarder

Sarajevski speed metal sastav **Bombarder** nastao je kasnih osamdesetih godina i bio je prvi predstavnik ovog glazbenog pravca u gradu. Do 1992. godine objavljena su dva albuma na kojima su autori bili Maho Šiljdedić (glazba) i Nenad Nešo Kovačević (tekstovi). Bombarder je uživao neviđenu popularnost među fanovima, osobito tinejdžerima, zahvaljujući tome što su članovi benda uvijek bili raspoloženi da se s njima druže. Najviše zasluga za to pripadalo je frontmenu Neši. Basist je na oba albuma bio Senad Samčo Ljubunčić. Na prvom albumu je svirao i gitarist Zlatko Zlays Slatinac. Danas vodi rock sastav Foxy Head. Na drugom albumu solo gitaru svirao je Jasmin Lamadžama. Bubnjar Senad Marava posvetio se vlastitom materijalu i novom bendu D.thronE. Maho Šiljdedić je poginuo pred sam kraj rata u Sarajevu, Nešo je odselio u Srbiju i tu je bio kraj sarajevske faze Bombardera. Nešo je oformio novi sastav pod starim imenom s kojim i danas žari i pali metalnim nebesima.

ROCK EX YU CENTAR SARAJEVO

Adis Abeba (Addis Ababa), a band from Brčko, participated in the festival "Nove Nade, Nove Snage" ("New Hope, New Strength"). Its members were Mustafa Nikšić, Haris Muminović and Adisa Muminović. It was represented on Diskoton's cassette compilation from 1989 (with the song "Kao Donat Mg" – Like Donat Mg" [a laxative mineral water]).

Before the war, the darkwave band **Anomalia** recorded a demo for the songs "Reborn" and "Untitled", which were featured on the Killjoy Compilation of the small record label Black and White Tapes in February 1992, which ceased operations two months later. No further information is available about the band members or what happened with the band after the demo recording.

Apokalipsa (Apocalypse) was one of the first bands of today's well-respected guitarist Emir Jugo. Jugo founded the band when he was just 15 years old in 1989 and the band worked until the beginning of the war. In addition to Emir, the backbone of the band consisted of drummer Nihad Maličbegović and bassist Ahmed Osmić. The keyboard player Ema Božuta was with them at the beginning of their career. At the seventh "Nove Nade, Nove Snage" festival in 1991, the group won the first place according to the votes of the audience and the jury, as well as the award for the youngest band. Although Apokalipsa did not reach all its potential due to the war, most of its members have remained in music until today.

Thrash metal band from Tuzla, **Armageddon**, existed in the period of 1988 to 1990. The members were Slobodan Medojević Medoja (vocals), Zlatan Bećirović (guitar), Adnan Bećirović (bass) and Goran Sakić, (drums). The guys worked on fanzines, organizing gigs and distributing cassettes and other demo material. They recorded one demo called "Holocaust".

One of the many bands named **Balkan Ekspres (Balkan Express)** was part of the demo scene in the late eighties. The band consisted of Amir Šehić (guitar), Saša Todorović (bass), Edin Kučinar (vocals), Haris Duran (keyboards), Haris Hodžić (drums) and Zlatan Fišće (guitar). The band was represented on Diskoton's cassette compilation "Nove Nade, Nove Snage" from 1989 with the song "Ostala je jedna mladost" (There is Only One Youth").

Basdans was a rock band from Banja Luka that was formed in 1984 and worked for only four years. The members were Nenad Matejić (vocalist and creative leader), Denis Gajetić (guitar), Boris Glišić (bass), Nebojša Tica (bass after Boris Glišić left the band), Zdenko Matković (keyboards) and Siniša Tomić (drums). Conceptually and musically, the boys very quickly felt that they were too strong to remain within the framework of the local area and set out to conquer Yugoslavia. They were well noticed in Sarajevo at the "Nove Nade, Nove Snage" festival, where they won the audience's award and the jury's award for the best lyrics for the song "Momci igraju" ("The Boys Are Playing") which was included on Diskoton's cassette compilation from 1989), and in Subotica in 1986, where they were invited as guests and not contestants. During the festival they reluctantly joined the contestants and made an extraordinary success by picking up awards from the audience, jury and journalists. A series of bad luck and unforeseen situations led to the fact that Basdans never recorded an independent album, although several record companies showed interest (PGP RTB, Suzy, Jugoton). Their hit songs are still remembered – "Kakve suze tebi trebaju" ("What Tears Do You Need"), "Čovjek od kamena" ("Man of Stone"), "Momci igraju," "Priča o običnoj djevojci" ("Story of an Ordinary Girl"), "Uzmi čovjeka kog zaslužuješ" ("Take the Man Who Serves You")... In fact, it's hard to find a Basdans song that didn't have the potential to become a hit.

The hard rock group **Bedž** (Badge) from Sarajevo was active in the early eighties. The members were guitarist Nikola Mitrović Nidžo (later in Nervozni Poštar and, unfortunately, no longer alive), Kemal Seh (drums), Srđan Delagija (keyboards), Mirko Manojlov (bass) and Mario Leko (vocals). They often took part in Čičak's group concerts at Sloga, and in 1982 they played in Skenderija at a big event "Mladost Sutjeske" ("Sutjeska Youth").

Big Daddy was a noise rock/post punk band from Sarajevo active from 1990 to 1993. The band members were Ronald Terman (drums), Borivoje Sofilj (bass), Davor Čavar (guitar) and Dragan Šutalo (vocals).

The band **Blago Gluhima (Blessed are the Deaf)** was formed in 1992 and worked until 1995 in the composition of Ivan Radeljković (guitar and vocals), Dino Šukalo (keyboards), Muhamed Avdagić (guitar), Haris Varajić (bass) and Alen Šiljak (drums). In addition to performing at Čičak's group gigs, the boys recorded two songs in Adi Lukovac's studio ("Ja letim visoko" ["I Fly High"] and "Bluesin' Blues"). Many years have passed since then – some members became scientific workers while others are still active in the Bosnian music scene.

Speed metal band from Sarajevo **Bombarder** was formed in the late eighties and was the first representative of this musical genre in Sarajevo. By 1992, two albums were released, the authors of which were Maho Šiljdedić (music) and Nenad Nešo Kovačević (lyrics). Bombarder enjoyed unprecedented popularity among fans, especially teenagers, thanks to the fact that the band members were always in the mood to hang out with them. Most of the credit for that belonged to frontman Nešo. The bassist on both albums was Senad Samčo Ljubunčić. Guitarist Zlatko Zlays Slatinac also played on the first album. Today he leads the rock band Foxy Head. Jasmin Lamadžama played solo guitar on the second album. Drummer Senad Marava turned to his own material and the new band D.thronE. Maho Šiljdedić was killed near the end of the war in Sarajevo, Nešo moved to Serbia and that was the end of the Sarajevo phase of Bombarder. Nešo formed a new band under the old name with which he still lights up the metal scene.
