Demo scena 1980-1992. N-S

Nuklearchy

Bend **Nuklearchy** osnovali su Edin Kerić (gitara) i Zoran Šikman (vokal i bas). Pjevali su na engleskom jeziku, a glazbeno su bili pravi američki crossover (thrash/hardcore/new psychedelic). Najveći problem bio je pronaći adekvatnog bubnjara koji je morao biti ubitačno brz. Prvi demo snimci za pjesme „Brotherhood and Unity", „Mercenary Squad", „Party" i „Scattered Tomorrow" urađeni su 1988., a 1989. za pjesme „Dickhead", „Where's My Money", „The Gatto" i „Skin". Momci su 16.04.1990. u Klubu Kabare bili predgrupa njemačkom punk bandu Inferno, a zatim su 14.06. u klubu Obala svirali sa Idijotima (Pula) i Patarenima (Zagreb). I taman što su promijenili ime u Big Deal i počeli pregovarati o objavljivanju ploče, bend se 1991. godine razišao.

Ozbiljno pitanje

Ozbiljno pitanje formirao je Zlatko Arslanagić u srednjoškolskim danima. Gitarski rock'n'roll s njim su svirali Benja, Hare i Drale, a kasnije se pridružio i Para (Dražen Ričl). Grupa se idejno naslanjala na kultnu emisiju Primus i radijsku fazu Top liste nadrealista, a djelovala je u periodu 1981-1982. godina. U bendu je bio i Aleksandar Kontić, mlađu brat vrsnog novinara Bore. Zlaja i Para su kasnije pokrenuli Crvenu jabuku.

Parasite

Parasite je sarajevski thrash metal bend koji je postojao od 1988. do 1992. godine. Dobio je ime po istoimenom horor filmu. Osnovao ga je Mesko Lika, bubnjar, koji je jedini bio u bendu do njegovog raspada, s basistom Edom Jusićem. U prvoj postavi su još bili Slaviša, vokal i Nećko, gitara i to je postava koja je imala prvi nastup u proljeće 1988. u klubu CDA. Drugu su postavu činili Aris Slipac, gitara i vokal, Boris Dudi, gitara i basist Dejan Stanojević Hać, a u trećoj postavi svirali su Meldin Hota, gitara i Veso Zelenović, bas. Snimili su demo snimke i nastupali po sarajevskim klubovima. Nažalost, do 1992. godine nije snimljeno ništa osim demo snimaka, a bend se tokom rata razišao.

Parricide

Raspadom Armageddona, u Tuzli je formiran death/thrash metal bend **Parricide** u sastavu Slobodan Medojević Medoja, vokal i gitara, Mirza Salihagić, gitara, Džemal Trakić, gitara, Adnan Bećirović, bas, i Goran Sakić, bubnjevi. Djelovali su u periodu 1991.-1993. godina. Početkom 1991. u Beogradu su snimili svoj prvi demo Buried Alive sa 3 pjesme. Grupi se 1992. pridružio Mirza Salihagić sa kojim su ratne 1993. snimili drugi demo.

Protest

Sarajevski punk sastav **Protest** nastao je 1990. Činila su ga četiri drugara iz Srednje umjetničke škole, Damir Nevesinjac, vokal i idejni vođa, braća Voloder – Vedad, gitara i Emin, bas, te bubnjar Igor Milčević. Bučni i razdragani na sceni privukli su pažnju već prvim pojavljivanjima u javnosti, a posebno su bili zapaženi na posljednjem predratnom festivalu „Nove nade nove snage". Prijemčiv i karakterističan humor prosto je prštao sa scene i, koliko god da svirka u prvim godinama i nije bila najvještija, nemoguće je bilo ne prepoznati izniman zabavljački potencijal. Dok su se braća Voloder, posebno gitarist Vedad, bavili sviračkim poslovima, Damir Nevesinjac je izrastao u frontmena kakvog bi svaki bend poželio. I taman se Protest zahuktao i počeo prašiti dobre svirke kad je počeo rat. Dvogodišnja pauza ne samo od svirki nego i normalnog života dovela je do nakupljanja gomile ideja za pjesme i bend je reaktiviran svežiji nego ikad – ali to je već dio priče o kojoj ćemo na nekoj od narednih izložbi Ex-Yu Rock Centra.

Rahela

Grupa **Rahela** djelovala je na prelazu osamdesetih u devedesete godine u sastavu Toni Janković, vokal, Arben Isufi, gitara, Denis Čabrić, bas, Slaviša Božić, bubanj Kemo Fejzić, gitara i Anes Kaleta, klavijature. Njen se glazbeni pravac kretao u području pop-rock muzike s lakim prizvukom metala. Iza sebe je ostavila jedan singl iz 1991. godine s pjesmama "Nove godine" i "Sto ruža".

Rock apoteka

Rock apoteka je sarajevski pop-rock sastav koji je postojao u periodu 1979.- 1980. i tada je svirao na lokalnim skupnim svirkama u Slozi. Objavili su jedan singl za Sarajevo disk, Džambo džet/Mala iz Ib za koji je producent bio Brano Likić.

Rupa u zidu

Rupa u zidu je izvanredan hard-rock-punk-blues bend iz Tuzle koji su činili Damir Avdić Graha, vokal sa energijom i količinom karizme za desetoricu, Bakir Avdić Kirba, gitara i Sead Avdić Sejo, bubnjevi. Imali su vrlo zapažen nastup na festivalu "Nove nade nove snage" gdje su osvojili drugo mjesto. Bend je postojao od 1989. do 1999. i za to vrijeme objavio je četiri albuma.

Sara

Sara je bila mlada sarajevska grupa aktivna krajem osamdesetih/početkom devedesetih godina sa izraženim autorskim potencijalom. Članovi grupe Samir Mešetović, vokal, Vlado Džihan, klavijature, Bojan Popović, gitara, Miroslav Kuzmanović, bas i Jasmin Smajić, bubnjevi, bili su u ranim dvadesetim kada im je rad naprasno prekinut – Samir je tragično izgubio život na početku rata. Ostala je pjesma Stari drugar zabilježena na Diskotonovoj kasetnoj kompilaciji „Nove nade nove snage" iz 1989. godine.

Sarajevski atentat

Sarajevski atentat nastao je 1989. godine, nakon raspada benda Šala a formirali su ga srednjoškolci Vuca, Alen, Bera i Darko. Svirali su u Steleksu, CDA, Domu mladih i pripremali materijal. Imali su i energiju, i znanje, i vještinu više nego dostatne za demo snimke ali, kao i mnogima, rat je poremetio planove i snimci su ostali u demo fazi. Sarajevski atentat nakon rata je postao Atentat i, nošen snažnim autorstvom frontmena Aleksandra Vuce, ušao u ozbiljne glazbene i stvaralačke vode.

The band **Nuklearchy** was founded by Edin Kerić (guitar) and Zoran Šikman (vocals and bass). They sang in English and musically they were a true American crossover (thrash/hardcore/new psychedelic). The biggest problem was finding an adequate drummer, who had to be very fast. The first demo recordings for the songs "Brotherhood and Unity," "Mercenary Squad," "Party," and "Scattered Tomorrow" were made in 1988; in 1989 demo recordings were made for the songs "Dickhead," "Where's My Money," "The Gatto," and "Skin". The boys were the opening act for the German punk band Inferno on April 16, 1990 at Club Kabare, and then played with Kud Idijot (Pula) and Patareni (Zagreb) at Club Obala later in 1990. And just as they changed the name to Big Deal and began to negotiate the release of the album, the band broke up in 1991.

Ozbiljno pitanje (Serious Question) was formed by Zlatko Arslanagić in his high school days. Benja, Hare and Drale played with him, and later Para (Dražen Ričl) joined the rock'n roll band. The idea of the group was based on the cult show "Primus" and the radio phase of Top Lista Naderalista, and was active in the period 1981-1982. Aleksandar Kontić, younger brother of well-known journalist Boro, was also in the band. Zlaja and Para later started Crvena Jabuka.

Parasite was a thrash metal band from Sarajevo that existed from 1988 to 1992. It was named after the horror movie of the same name. It was founded by drummer Mesko Lika, who was the only fixed member throughout its existence, along with bassist Edo Jusić. The first line-up also included Slaviša, vocalist, and Nećko, guitarist, and this line-up had its first performance in the spring of 1988 at CDA. The second line-up consisted of Aris Slipac, guitar and vocals, Boris Dudi on guitar, and bassist Dejan Stanojević Hać. A third line-up consisted of Meldin Hota on guitar and Veso Zelenović on bass. They made demo recordings and performed in Sarajevo clubs. Unfortunately, they made only demo recordings before 1992, and the band broke up during the war.

With the breakup of Armageddon, the death/thrash metal band **Parricide** was formed in Tuzla, consisting of Slobodan Medojević Medoja (vocals and guitar), Mirza Salihagić (guitar), Džemal Trakić (guitar), Adnan Bećirović (bass) and Goran Sakić (drums). They worked in the period 1991-1993. At the beginning of 1991, they recorded their first demo in Belgrade, Buried Alive with 3 songs. Mirza Salihagić joined the group in 1992, with whom they recorded the second demo in 1993.

The punk band **Protest** from Sarajevo was formed in 1990 by four friends from the High School of Art, Damir Nevesinjac, vocalist and ideological leader, the Voloder brothers – Vedad on guitar and Emin on bass - and drummer Igor Milčević. Loud and energetic on the stage, they attracted attention with their first public appearances and were especially noticed at the last pre-war festival "Nove Nade, Nove Snage." Their catchy and characteristic humor burst from the stage and, even though the gigs in the first years were not the most skilled, it was impossible not to recognize the band's exceptional entertainment potential. While the Voloder brothers, especially the guitarist Vedad, were busy playing, Damir Nevesinjac grew into the kind of frontman that every band would wish for. And just when Protest was heating up and started giving successful gigs, the war started. A two-year break not only from gigs but also from normal life led to the accumulation of a bunch of ideas for songs. The band was later reactivated fresher than ever. These stories will be presented at future exhibitions of the Ex-Yu Rock Centar.

The band **Rahela** was active at the turn of the eighties into the nineties, consisting of Toni Janković (vocals), Arben Isufi (guitar), player Denis Čabrić (bass), Slaviša Božić (drums), Kemo Fejzić (guitar) and Anes Kaleta (keyboards). Its sound was in the area of pop-rock music with a slight undertone of metal. It left behind one single from 1991 with the songs "Nove godine" ("New Years") and "Sto ruža" ("A Hundred Roses").

Rock Apoteka (Rock Pharmacy) was a pop-rock band from Sarajevo that existed in the period 1979-1980 and played at local joint gigs in Sloga. It released one single on Sarajevo Disc, "Džambo djet" ("Jumbo Jet")/"Mala from Ib" ("Girl from Ib [class]"), with Brano Likić as its producer.

Rupa u Zidu (Hole in the Wall) was an outstanding hard-rock-punk-blues band from Tuzla, consisting of Damir Avdić Graha, a vocalist with strong energy and charisma, guitarist Bakir Avdić Kirba, and drummer Sead Avdić Sejo. They had a very notable performance at the "Nove Nade, Nove Snage" festival, where they won second place. The band existed for a decade, from 1989 to 1999, and during that time they released four albums.

Sara was a young group from Sarajevo active in the late eighties/early nineties with strong creative potential. The members were vocalist Samir Mešetović, keyboard player Vlado Džihan, guitarist Bojan Popović, bassist Miroslav Kuzmanović, and drummer Jasmin Smajić. They were in their early twenties when their work was suddenly interrupted – Samir was tragically killed at the beginning of the war. The song "Stari drugar" ("Old Friend") remains, recorded on Diskoton's cassette compilation "Nove Nade, Nove Snage" from 1989.

Sarajevski Atentat (Sarajevo Assassination) was created in 1989, after the breakup of the band Šala (Joke), and was formed by high school students Vuca, Alen, Bera and Darko. They played in Steleks, CDA, Dom Mladih and prepared material for recording. They had more than enough energy, knowledge, and skill for demo recordings. Like many others, the war disrupted their plans and the recordings remained in the demo phase. After the war, Sarajevski atentat became simply Atentat and, carried by the strong vision of frontman Aleksandar Vuca, swam into serious musical and creative waters.
